## ADDITIONAL INFORMATION AND PROCEDURES

**Settlement Negotiations**. The parties are required actively to engage in settlement discussions and determine whether the matter may be resolved in accordance with Civil Rule 16. In the event the case settles, Plaintiff's Counsel shall notify chambers immediately by e-mail to Sydney Revell at Sydney.Revell@delaware.gov and Kenisha Congo at Kenisha.Congo@delaware.gov.

**Interim Status Report**. The Interim Status Report is to be filed by Plaintiff's counsel with a copy to the assigned Judge. The interim report will advise the Court on the nature of the matters in issue, the progress of discovery to date, and the results of mandatory alternate dispute resolution used to date to resolve this matter. Do not include information on offers or demands. This document should reflect input from both parties. Plaintiff's counsel is responsible for obtaining Defendant counsel's consent to file or additional input to be included in the Report in sufficient advance of the submission deadline to ensure compliance with the deadline.

**Final Trial Status Report**. The final trial status report shall advise the Court of the following: (1) that all exhibits have been exchanged or reviewed by the parties or counsel, and there are no objections to any exhibit; (2) that proposed jury instructions have been exchanged, discussed, exceptions noted, with a copy submitted with status report in the form required by Paragraph (i) above; and (3) that the parties and counsel agree there are no remaining evidentiary and/or legal issues for the Court to resolve prior to jury selection and opening statements.

**Case Dispositive Motions**. Case dispositive motions will be scheduled *after all briefing is complete* by obtaining a date and time from Judge Winston's Chambers which can be reached at 255-2549. The original motion, the response, and any reply thereto shall be filed with the Prothonotary's Office. Courtesy copies of all motions and briefs must be sent to Chambers via **email** to Judge Winston's Administrative Specialist and Law Clerk, with a copy to all Delaware counsel of record. Courtesy copies should not be emailed until the filing is accepted by the Prothonotary. The cover page of the courtesy copies should have the File & Serve Transaction ID Number printed on it. Further briefing on the motion will be as ordered by the Court. *Motions for Default Judgment may be heard on the routine calendar.*

**Civil Routine Motions**. Judge Winston's civil routine motions are heard on Wednesdays at 9:15 a.m. Contrary to Paragraph IV of the NCC Superior Court Civil Case Management Plan, in Judge Winston's cases: (1) routine Motions must be filed no less than 15 calendar days prior to the noticed date and (2) responses are due no later than 7 calendar days after the filing of the motion. If no response is timely filed, the Court may deem the motion as unopposed, grant the motion before the hearing, and so notify the parties. A Motion to Continue a Trial Date is filed as a routine motion. The Court strongly discourages requests for relief submitted in the form of letters or emails. Such requests should be made by motion.

**Pretrial Conference**. All trial counsel must attend the pretrial conference.

Please refer to the Court's Judicial Preferences page at http://courts.delaware.gov/superior/judgespref/judges_pref_jwinston.aspx and to the New Castle County Civil Case Management Plan for further guidance.
